To whom it may concern,

I write this letter to outline the English Language Studies undertaken by Ana Elisa Kuhn Sota, who was a student at St Giles Vancouver from 20 January, 2020 to 25 September, 2020. Please note that Ana has three certificates owing to the pandemic – one for her classes taken pre-lockdown, one for her online classes undertaken through our umbrella online programs, St Giles Live, and finally a third for her studies on her return to the physical school.

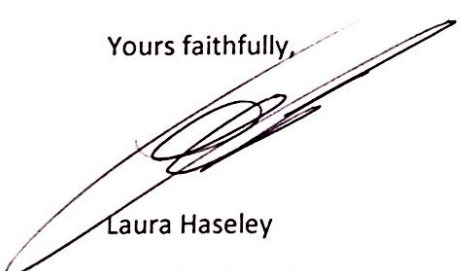

To clarify, Ana studied at St Giles Vancouver physical school from 20/01/2020 to 18/03/2020, at St Giles Live from 23/03/2020 to 10/07/2020 and back at the physical school from 13/07/2020 to 25/09/2020, making a total of 36 weeks of study.

In total, Ana studied 1598 class hours with us. She made excellent progress in her studies, starting at an Intermediate level and graduating at an Advanced level. Her attendance overall was 100%.

We wish her all the best for the future.

If you have any questions, please do not hesitate to contact me.

Yours faithfully,

Laura Haseley
